

KHPT Co. LTD

CEO	Kim Jin Tae	Phone	+82-55-711-2205
E-mail	jtkim@khpetro.com		
Address	No. 309, Office Building, 263, Jungang-Daero Uichang Ku, Changwon City		
major business	Design/Fabrication of Plant Equip, Construction, EPC, Nuclear, Revamping		

Main Office Location: Changwon City
 Fabrication Factory: YulChon and Yeosu City
 Main Product: H/Ex, P/V, Storage Tank, Column and Etc
 Additional Item: Revamp Business, Nuclear Item, EPC Package

Products

Use Condition adaptation of NH3 conversion
Description ASME Sec. VIII, Div. 1/Div. II 및 TEMA R Class, BFW Type

Use Hydrogen conversion by HTS/LTS Process
Description System Design based on Fluid Mechanics/Thermodynamic/Chemical Reaction Engineering

Use Deconstruction Data gathering of Reactor
Description Scale-Down Equipment made by same material and configuration for cutting characteristics and dust, noise and contamination

Technical Capacity

- » **Thermal-Hydraulic Design/Mechanical Design**
Thermal-Hydraulic Analysis/Mechanical Calc at given design condition
- » **Fabrication Technology**
Fab. Procedure and Manufacturing
- » **EPC performing management**
Mechanical/Chemical Harmony of Process Eng
- » **CODE Application and understanding**
ASME/TEMA/API/AWA
